TerraRoc

www.terrarocdrilling.com

With decades of experience and dedication to client-focused product development, which lay the foundation for the company's unique value proposition, TerraRoc hails from an impressive list of industry leading organizations. H&F Drilling supplies, Rotex, Ingersoll Rand, Atlas Copco, and Epiroc are to name a few. Through Epiroc's most recent divestment in 2019, TerraRoc has emerged as an independent force and market leader in the geotechnical drilling consumables market.

Through a diverse industry expertise, unparalleled R&D, strategically positioned manufacturing facilities, and global supply chain we offer bespoke solutions to clients worldwide. It is with this unique value proposition we set out to deliver on our promise: to make your success our business!

Let's get the job done, together!
